LOCHSA RIVER HAZY IPA

6.0% ALC. BY VOL. | 35 IBUs

As the fifth release in our Tributary Series, we are excited to introduce Lochsa River Hazy IPA. The Lochsa River is one of two primary tributaries of the Middle Fork of the Clearwater River. "Lochsa" is a Nez Perce word meaning rough water and the river is home to legendary, continuous whitewater rafting that is fueled by the snowpack of the Bitterroot Mountain Range. The area has been known to produce renowned trout fishing opportunities with easy access and awe-inspiring views. The aroma profile of Lochsa River Hazy IPA presents copious amounts of passionfruit, mango, peach, and strawberry, with nuances of tangerine. The flavor of this beer emulates the aroma. Cheers to roaring rivers and great beer!
