DREAMCATCHER

IPA

6.0 % ALC. BY VOL.

Brewed as a tribute to one of Teton Valley's favorite ski lifts, Dreamcatcher is an American IPA that boasts as many flavors as the iconic lift has skiable lines. It features familiar flavors of pine, peach and stone fruit with a crisp, clean finish. Dreamcatcher IPA, much like the ski lift which leads to a wide range of terrain, has something for every IPA fan.
