BUFFALO FORK HAZY IPA

6.0% ALC. BY VOL. | 30 IBUs

As the fourth release in our Tributary Series, we are excited to introduce Buffalo Fork Hazy IPA. The Buffalo Fork River can be found in the heart of the Teton Wilderness and is home to a dense population of grizzly bears, wolves, mountain lions, and other wildlife. This breathtaking setting winds its way through the most remote part of the lower 48 states and also boasts the point farthest from any road. It is a major tributary of the Snake River with the north, south, and main forks providing exciting outdoor recreation in a true wilderness setting. With refreshing notes of blueberry, melon, and passionfruit, this beer will keep you hydrated and happy wherever your adventures take you. Cheers to responsible recreating!
