ACIDULATED

# LOST CONTINENT DOUBLE IPA

8.0% ALC. BY VOL. | IBUs: 100

In this version of Lost Continent Double IPA we have amped up the tropical aromas and flavors with larger additions of Simcoe in the Whirlpool, while adding Sultana and Mosaic in the dry hop. The flavor profile lends itself to grapefruit, peach, orange, and raspberry, while the aroma profile of this beer focuses on a balance of tropical and citrus fruits.
