Pints up Idaho! This year for Idaho Craft Beer Month we decided to up the ante!

Not only are we releasing this project in a 16oz package, we will also donate a portion of the proceeds to the Idaho Conservation League (ICL). The ICL is the states leading voice that makes Idaho's exceptional quality of life possible. We are still sourcing our ingredients 100% from Idaho and expect this Hazy IPA to be another head turner.

This beer is packed full of tangerine, mango, and cherry flavors with a pungent orange juice aroma. This beer's for you, Idaho!
