# TETON RANGE JUICY IPA

**6.5% ALC. BY VOL.**

**New and Revamped for 2021!**

This Juicy revamp will take Teton Range to a new level of enjoyment. Subtle tweaks to our hop additions and the introduction of our new "Juice" yeast takes this IPA flavor profile to a new level. This beer is juicy, like fresh squeezed tropical fruit with some pine in the background. It has a deep gold color and strong head retention. No one will pass by this one on the shelf!
