TROPICAL IPA

7.0 % ALC. BY VOL.

To celebrate Idaho Craft Beer Month 2024, we decided to brew a "Tropical IPA." Our gem of a state is home to more miles of rivers and streams than anywhere else in the lower 48. From the long lazy Snake River, to our pristine alpine lakes, and the "River of No Return," Idaho boasts some of the most amazing water recreating in the world. The label imagery this year highlights the Idaho state bird, Mountain Bluebird and state flower, Syringa. We hope you enjoy our Tropical IPA for this year's Idaho Craft Beer Month. Pints up Idaho!
