IDAHO'S GOLDEN ALE

4.7% ALC. BY VOL.

From our mountains to our farm fields, from our rivers to our lakes, 208 is brewed to be Idaho's Golden Ale. The Gem State is home to proud, hard-working, adventurous folk and when we set out to create this beer we wanted to brew something that would embody all of Idaho. Ale 208 is crisp and refreshing with a citrusy hop characteristic that is approachable to all beer drinkers and settings. Whether it's your lawn mowing beer, fishing beer, camping beer or patio beer, lets raise a glass and cheers the 208 lifestyle!
